RE: Application No. 13158

Dear Ms. Bohac:

I am writing on behalf of the City of Houston ("Houston") regarding the above-referenced application (the "Application") filed by BP Amoco Chemical Company (the "Applicant"). In the Application, the Applicant seeks to divert up to 100 acre-feet of water per year from three points on the Texas City Ship Channel, San Jacinto-Brazos Coastal Basin, for industrial purposes in Galveston County.

Houston withdraws its request for a contested case hearing. If the Commission makes any change to the Applicant's permit, please contact me. Thank you again for your assistance.

Sincerely,

CITY OF HOUSTON
